This matter comes before the Public Service Commission of South Carolina (the Commission) on the Staff request to combine Docket Nos. 96-212-W and 96-213-W for hearing purposes. Staff notes that both Dockets contemplate a transfer of one of the Heater Companies to the same company, that is South Carolina Water and Sewer, L.L.C. It appears to us that combining the two Dockets for hearing purposes would make for good utilization of administrative hearing time. Therefore, the Staff request is granted.
